IN HONOR AND RECOGNITION OF
THE WEST PARK UNITED
CHURCH OF CHRIST

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 9, 2009

Mr. KUCINICH. Madam Speaker, I rise today in honor and recognition of the West Park United Church of Christ, as they celebrate one hundred and fifty years of faith, hope and community service throughout the neighborhoods of Kamm's Corners on Cleveland's west side.

West Park United Church of Christ was founded in 1859 by nine individuals, including Charter members and community leaders Benjamin Mastick and Lavinia Trisket. The Church was established to serve as a haven of faith and a center for community outreach, through which diversity is embraced and social programs and community groups expand and thrive. The Church quickly became and continues to serve as an anchor of strength for the Kamm's Corner community.

Since 1859, the members of the West Park United Church of Christ have strengthened the community by encouraging diversity and reaching out as messengers of hope, peace and comfort. Since its founding, the church has witnessed major renovations and expansion over the years and today, the church has 320 members, all of whom are active community volunteers. Members have volunteered as aides at Fairview Hospital, tutors at local schools, and workers at homeless shelters, emergency food pantries, and the Meals on Wheels program.

Madam Speaker and Colleagues, please join me in honor and recognition of the West Park United Church of Christ of Cleveland and their members as they celebrate 150 years of faith, community and public service throughout Cleveland's Kamm's Corners neighborhood.

CONGRATULATING JEFF OLSEN

HON. BILL FOSTER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 9, 2009

Mr. FOSTER. Madam Speaker, I rise today to congratulate and record my strong and enthusiastic support for Jeff Olsen, a constituent of mine who is being recognized by the American Legion for his patriotism.

Olsen, a resident of South Elgin and local sanitation worker, collected discarded American flags along his route to properly dispose of them. He would fold and carefully package each flag before giving them to the local American Legion to destroy them in the traditional ceremony.

To date, Olsen has saved and donated over 250 American flags to the American Legion. Many of his colleagues at the Elgin Waste Management office also work to ensure that

American flags which are improperly disposed of are treated with the utmost respect; however, the number of flags discovered by Olsen is nothing short of remarkable.

Olsen was honored by both the local American Legion and Elks Lodge with an Americanism Award in recognition of his actions on June 14, 2009, Flag Day. His actions should be recognized as not only a caring act of patriotism, but also as an effort to raise awareness to the general public on how to properly dispose of an American flag. As a lasting symbol of freedom and democracy, the American flag should be treated with nothing less than great care and respect.

I would like to congratulate Mr. Olsen on his award, and extend my deepest gratitude for his efforts. I can only hope that his story will inspire others to take similar action.

HONORING THE 350TH ANNIVERSARY OF QUOGUE, NEW YORK

HON. TIMOTHY H. BISHOP

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 9, 2009

Mr. BISHOP of New York. Madam Speaker, in these fast-moving times, it is a comfort to know that some wonderful places are in no hurry to change. I rise today to celebrate the 350th anniversary of the community of Quogue, a picturesque village on the South Shore of Long Island.

European settlement in Quogue began in 1649 when Englishman John Ogden purchased a large tract on Shinnecock Bay from Chief Wiandance Sachem to establish farming and grazing lands. By the 1800s, residents of New York City had begun to discover Eastern Long Island's rustic natural beauty and pleasant climate, establishing summer communities and boarding houses.

While Quogue prospered with the arrival of seasonal visitors, it retained a quaint charm and family atmosphere that is still recognizable today. In fact, Quogue is known as the "Quiet Hampton" to distinguish it from its more famous—and hectic—neighbors to the east.

Madam Speaker, small towns like Quogue represent the best of the American community spirit. I am happy to offer its citizens my best wishes for a successful anniversary celebration and for a long future as a true American original.
